Requests may be made through the mail. Unfortunately we are not staffed to do general genealogy research for you but you may request specific documents. Send a self-addressed stamped envelope large enough to accommodate the copies you are requesting. You may send a check with your request, if we do not have the documents you are looking for we will refund your money. If we need additional money we will mail you a request for the amount we need. The money must be received before we will send out any copies. These requests are usually researched within a two week period. We do not accommodate genealogy requests by e-mail or fax.
